

Community Benefit Report FY2021

Our staff came together at a challenging time, working long hours, thousands of extra shifts, and covering back and forth between our two hospitals to ensure the Lincoln community received the care they needed. Staying in touch with community perception and needs is key to be certain we recruit the right physicians and provide the right services -- specifically cardiologists, heart surgeons, ENTs, ortho and trauma surgeons.

Derek Vance, President

\$23,106,288 Total Community Benefit
Division Total Community Benefit **\$208.7M**

3,382 Patients supported with Medical Financial Assistance
