

## Community Benefit Report FY2021

I am incredibly proud of our Immanuel family’s resilience and dedication. We worked tirelessly on the pandemic’s frontlines to provide care that exceeds our community’s expectations. We stood up the only hospital-based COVID-19 vaccination clinic, bringing hope to the thousands vaccinated. Our behavioral health team expanded services to care for pandemic-related mental health challenges. We celebrated 134 years of care and continue bringing the healing presence of God to our community.
